RELEVANT SKILLS

Proficient- Adobe Premiere Pro, AVID Pro Tools, Adobe Audition, Final Draft

Moderate- DaVinci Resolve, Adobe After Effects

EXPERIENCE

Media Production Specialist

March 2022-August 2024

BYU Broadcasting

Provo, UT

- Utilize Adobe Audition and AVID Pro Tools to make engaging media content
- Improved audio quality for *The Good Word* while streamlining post-production—completing episodes 10x faster than previous workflows

Web Development – Teaching Assistant

September 2024-Present

BYU Computer Science Department

Provo, UT

- Instruct and guide classes of ~250 students, effectively deploying full-stack web applications to a live server using AWS and MongoDB
- Review assignments, grade projects, and provide feedback that improves student's code and programming capabilities

MEDIA PROJECTS

“Just a Pill Away” (2024)

Editor

- Edited short narrative film in Adobe Premiere Pro with an advanced post-production workflow
- Maintained a 1-week turnaround, rapidly incorporating feedback and producing polished edits to stay ahead of the post-production schedule

“Dogleg” (2024)

Assistant Cinematographer

- Operated Arri Alexa Mini LF
- Collaborated with director and DP to execute stylized camera movement for emotional scenes

“Still” (2023)

Production Sound Supervisor

- Operated Zoom F8n to capture high-fidelity production audio across remote outdoor locations
- Maintained cinematic-level sound quality while camping on set for multiple days in sub-freezing temperatures, contributing to *Still*'s recognition as a 2023 Rocky Mountain Student Emmy Award winner
